SHE-Q

SAFETY, HEALTH, ENVIRONMENT AND QUALITY

SHE-Q above all!

SHE-Q is an integral part of our operation and the services we provide. Being safe and secure is of critical importance to us. We encourage and demand the highest levels of commitment to the Safety, Health, Environment and Quality standards among all our employees and the people we work with in order to meet our customers' and other statutory regulatory requirements.

We are certified:

- ISO 9001:2015 - Certificate of Quality Management System • ISO 45001:2018 - Certificate of Health and Safety Management System.

We are constantly improving our processes and operations to better serve our clients and enhance their experience. Our drive to exceed customers expectations is the foundation to achieve our Mission and Vision.

DP2 VESSELS

MULTI PURPOSE OFFSHORE SUPPLY VESSELS

DP2 VESSELS

MULTIPURPOSE / MODULAR DYNAMIC POSITIONING VESSELS

In cooperation with Amasus we can provide a fleet of multipurpose and modular Dynamic Positioning vessels.

The strong point of the vessel is the combination of multipurpose and modular use with huge (triple) deck space, relative high workability, and good DP2 holding capacity.

- Eems Dover DP2
- Eems Duisburg DP2
- Eems Dublin DP2
- Eems Dundee DP2 ready
- Eems Jaguar DP2 ready

DP2 VESSELS

SPECIFICATION

Flag	Dutch
Built	2013
Dwat	6,000 t
Dwcc S/W	5,800 / 5650 m
Loa	107.95 m
Beam	16.00 m
Airdraught	31.00 m
Draught	6.45 m
Gt / Nt	4,678 t/ 1,997 t
Hold / Hatch	1 hold / 1 hatch Pontoon
Hold 1	Upper hold: 80.00m x 12.00m x 4.69m
Hold 2	Lower hold: 62.30m x 11.50m x 4.53m
Hatch 1	86.00 x 16.00 m
Perm. Loads	Max 15. t/sqm tanktop
Tweendeck	max 3.5 t/sqm / max 2.5 t/sqm deck

DP2 VESSELS

SCOPE OF WORK

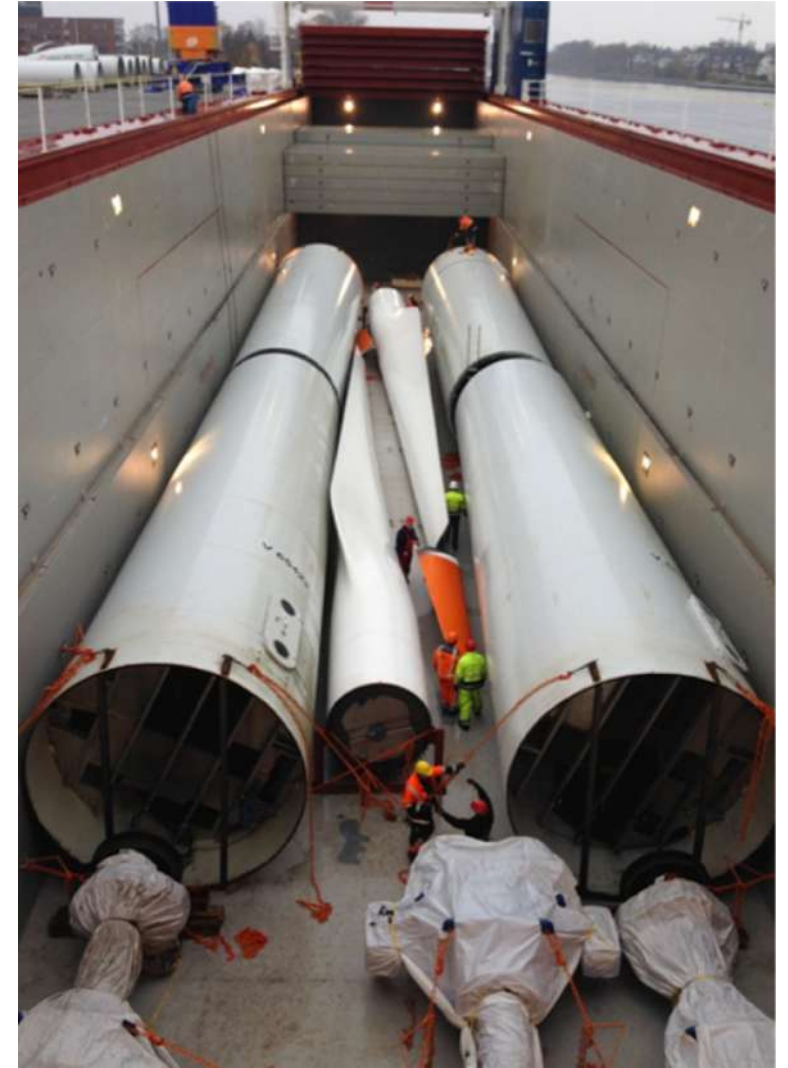

- Conventional Cargo Transport
Port-to-Port and Offshore Supply
 - Pipes
 - Piles, MP's and TP's
 - WTG
- Platform Supply Vessel / Maintenance Support Vessel
- Accommodation / W2W Vessel
- Installation Support Vessel
 - Pile Cutting
 - Pile Dredging
 - Placing Anode Cages
 - Grouting
 - ROV / Dive works
- Research Vessel
- Stone dumping
- Fall Pipe

DP2 VESSELS

CONVENTIONAL CARGO TRANSPORT

- Port-to-Port
- Pipes
- Piles, MP's and TP's
- WTG

DP2 VESSELS

OFFSHORE SUPPLY

- Pile Feeding
- Pipe Supply

DP2 VESSELS

INSTALLATION SUPPORT VESSEL - PILE CUTTING

- Cutting of test piles
- 40 m depth
- Vertical storage in hold

DP2 VESSELS

INSTALLATION SUPPORT VESSEL - DREDGING

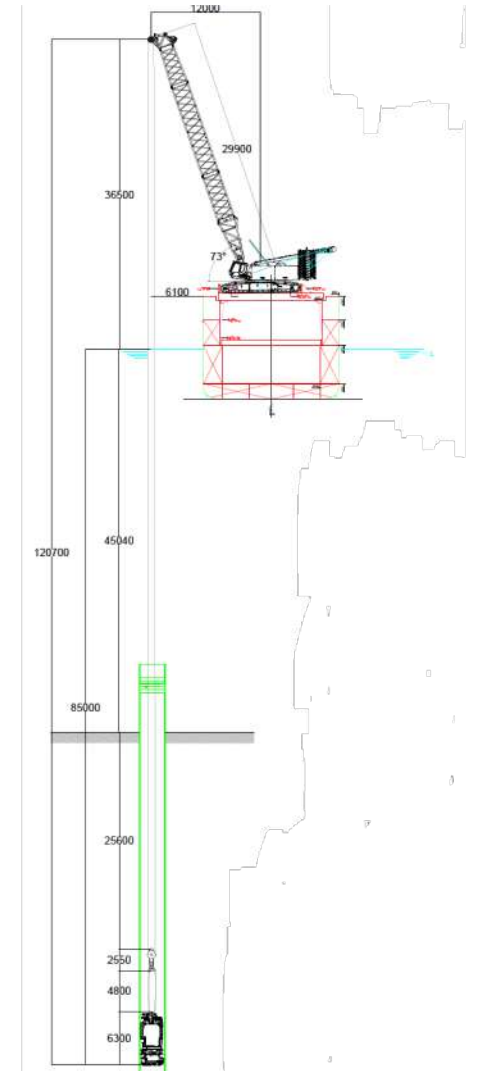

- Pile drilling and dredging
- Piles are cleaned, dredged and drilled with various tools
- Boulder removing

DP2 VESSELS

INSTALLATION SUPPORT VESSEL - DREDGING

- Various pile dredging and drilling tools are used.
- 140 ton capacity up to 80 m depth

DP2 VESSELS

INSTALLATION SUPPORT VESSEL - DREDGING

Various grabs can be used with wire crane or excavator

DP2 VESSELS

INSTALLATION SUPPORT VESSEL - SUBSEA INSTALLATION

- Subsea installation
- Anode cage installation

DP2 VESSELS

INSTALLATION SUPPORT VESSEL - GROUTING

- Grouting of Jackets and TP's
- 120 ton telescopic crane
- 2000 tons of grout stored on board

DP2 VESSELS

RESEARCH VESSEL

Ground Sampling

DP2 VESSELS

STONE DUMPING

- Breakwater
- Dredging
- Pipe covering
- 2-6m³ orange peel grabs
- 2-10m³ clamshell grabs

DP2 VESSELS

FALL PIPE

- 300-500m³ per hour
- Up to 20m depth
- Good precision

SPECIAL EQUIPMENT AND SERVICES

GRABS, WINCHES AND MECHANICAL SERVICES

Among others:

- Pile grabs / dredgers
- Orange peel grabs
- Umbilical Winches
- Mooring & crane winches
- Crawler transporters

SPECIAL EQUIPMENT AND SERVICES

GRABS (MECHANICAL/HYDRAULIC), WINCHES AND MECHANICAL SERVICES
